

Do I Really Need Travel Insurance?

Traveling inevitably means encountering the unexpected. For a worry-free vacation, we recommend purchasing travel insurance for any of the hundreds of unexpected circumstances that may arise.

Here are 10 situations in which it may come in handy!

- 1 You fly to Athens, but your bags fly to Anchorage.
- 2 You miss your connection because of a flight delay.
- 3 Your passport and wallet are stolen, and you need cash and a replacement passport.
- 4 You are involved in an accident and adequate medical treatment is not available.
- 5 You are on your way home when the airline goes on strike.
- 6 Your dad becomes seriously ill before you leave, and as his caretaker, you need to cancel your trip.
- 7 Your bag with your medication is lost. You need to have an emergency prescription filled.
- 8 Your son has an ear infection and you need to find an English speaking doctor.
- 9 A hurricane forces you to evacuate your resort.

10 And last but not least, it's simply worth the extra few dollars to ensure your peace of mind. The 24-hour help line provided by most plans will assist you when you need it most!
